Book Review

Notwithstanding the evidence presented in Holy Warriors, the consensus, until very recent times at least, among the majority of medieval historians that these threats from Islam had very little, if anything, to do with the Crusades; the Muslims were simply the convenient targets of a savage and brutal Europe, mired in a culture of habitual

Radicalization in the West: The Homegrown Threat

- The transnational phenomenon of radicalization in the West is largely a function of the people and the environment in which they live Much different from the Israeli-Palestinian equation, the transformation of a Western-based individual to a terrorist is not triggered by oppression, suffering, revenge, or ...
